Confirmation of compliance with Directive 2011/65/EU RoHS II

Adsorber VV-DV

Directive 2011/65/EU (RoHS II) regulates and restricts the use of certain hazardous substances in electrical and electronic equipment. These substances include mercury, lead, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE).

GIEBEL Group GmbH hereby declares that the products it supplies and their packaging, including those supplied by its subcontractors, comply with the applicable requirements of Directive 2011/65/EU (RoHS II).

GIEBEL Group GmbH
