Declaration

We hereby declare that, to the best of our knowledge and based on information and documentation provided by our upstream packaging suppliers and business partners, the packaging materials referenced above comply with the applicable requirements of: Regulation (EU) 2025/40 regarding packaging and packaging waste, insofar as such requirements are currently applicable and legally effective for the relevant packaging type and application.

GIEBEL

PPWR

The packaging materials are assessed on the basis of available supplier documentation, including where applicable:

- supplier declarations of conformity,
- technical data sheets,
- material specifications,
- statements regarding restricted substances,
- REACH-related documentation,
- recycling and material composition information,
- food contact compliance documentation (where relevant).

Scope & limitations

This declaration is issued exclusively for business-to-business (B2B) purposes.

GIEBEL Group GmbH is not the manufacturer of the packaging materials unless explicitly stated otherwise. The present declaration is therefore based on documentation and information obtained from upstream suppliers and other third parties.

No independent chemical analysis, laboratory testing, or legal conformity assessment of the packaging materials has been performed by **GIEBEL** Group GmbH, unless expressly agreed otherwise in writing.

This declaration reflects the regulatory status and information available at the date of issue. Future amendments to applicable legislation, delegated acts, harmonized standards, technical guidance, or supplier information may require updates to this declaration.

This declaration does not constitute:

- a guarantee of absolute legal conformity,
- an independent certification,
- or an assumption of manufacturer obligations under applicable EU law.

Liability is excluded to the maximum extent permitted by applicable law for inaccuracies resulting from incomplete or incorrect information provided by upstream suppliers.
