

Certificate of suitability according to International Protection IEC 60 529 (EN 60 529)

Adsorber ME-RV

The IP Code indicates the suitability of electrical equipment for various ambient conditions and specifies the degree of protection provided against the ingress of solid foreign objects and water.

GIEBEL adsorbers are not electrical equipment and are therefore not covered by DIN EN 60529. Nevertheless, based on internal tests,

GIEBEL Group GmbH
Carl-Zeiss Straße 5
74626 Bretzfeld (Germany)

giebel@giebel-group.com
+49 7946 9444010

hereby declares that the following adsorber:

Series: ME-RV
Description: Stainless steel breathers with valves
Materials: Stainless steel, FKM, EPDM, GIEBEL Xdry, Carbon

provides protection against the ingress of dust due to its filter discs and valves.

IP 6... Protection against dust ingress (dustproof)
IP ...6 Protection water in case of temporary flooding

Accordingly, GIEBEL adsorbers of the ME-RV series have the following declared protection:

IP 66
